Application:

Varmol Communication, Inc ("Varmol Communication"), hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 (1982), and Section 63.18 of the Commission's Rules, 47 C.F.R. Section 63.18, to provide global international facilities-based and resale services between the United States and international points.

Varmol Communication is a new U.S. company organized to provide international telecommunications services. Varmol Communication has no foreign affiliations.

Varmol Communication serves customers throughout the United States.

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Thus, the public interest will be served by the grant of Section 214 authority to Varmol Communication.

Section 63.12 Information

In Response to Question 9 of FCC 214 Application,

Varmol Communication **requests streamlined processing pursuant to 47 C.F.R. Section 63.12**

Varmol Communication qualifies for streamlined processing because it:

- 1) **is not affiliated with a foreign carrier in a destination market;**

- 2) **does not have affiliation with a dominant U.S. carrier whose international switched or private line services the Applicant seeks authority to resell (either directly or indirectly through the resale of another reseller's services);** and

- 3) **does not seek authority to provide switched basic services over private lines to a country for which the Commission has not previously authorized the provision of switched services over private lines.**

In Response to Question 10 of FCC 214 Application

The applicant is not a foreign carrier and is not affiliated (as defined in 47 C.F.R. Section 63.09(e)) with a foreign carrier.
